

Prayaas Navodaya Selection

" रुकेगी न मेहनत तब तक हमारी ,
जब तक लोग देने न लगे ममसाल हमारी "

You might be well aware of the prestigious Navodaya Schools where the education of a child is sponsored by the Government. There is an all India exam based on which the students are shortlisted for admission to these schools (Just like JEE for NIT/IIT). You would be happy to know that this year(2019), FIVE out of six of our kids have been successfully admitted to Navodaya Schools for class 6th. It has been more than four months in there and they have been performing outstandingly well in their academics as well in other extra-curricular activities. PRAYAAS acknowledges the efforts put in by each and every volunteer. We have now started Navodaya Batches for admission to classes 6th as well as 8th and are sure of achieving good results.
